Sparkling Wines of the World

Explore the excellence of sparkling wines with a curated international selection. From iconic vineyards to hidden gems, this tasting offers a global perspective on styles and craftsmanship.

I ❤️ Sauvignon Blanc

Dive into the diversity of Sauvignon Blanc with a selection of iconic wines from around the world. A must-experience journey to capture the full range of this celebrated grape variety.

Belgian Wines

Discover the excellence and diversity of Belgian wines through a carefully selected lineup. From refined sparkling wines to expressive whites and reds, this tasting highlights emerging terroirs and passionate winemakers. A rare opportunity to explore a growing yet often overlooked production.

Wines from Resistant Varieties (VIFA)

In partnership with Vinopôle Bordeaux-Aquitaine and the VitiREV program, Winespace will host a blind tasting of wines made from resistant grape varieties (VIFA). The goal is to showcase these mildew- and powdery mildew-tolerant varieties and encourage their adoption by industry professionals. Tasting data will be analyzed to enhance the sensory knowledge of these grapes.

Exploring Indigenous Red Varieties

Discover unique grape varieties deeply rooted in their terroirs, offering authentic and often overlooked expressions. Each wine tells a story of tradition, craftsmanship, and character.

Exploring Indigenous White Varieties

Discover unique grape varieties deeply rooted in their terroirs, offering authentic and often overlooked expressions. Each wine tells a story of tradition, craftsmanship, and character.
